MATRIC CLASS OF 2023 WELL WISHES

The Matric Class of 2023 has commenced with their final National Senior Certificate (NSC) examinations on Monday, 30 October 2023.

The Diocese of Johannesburg Mothers' Union wish you the best of luck for your exam. Please be calm and have faith in your work and study; success will follow those, who never give up in the life. We call upon the parents, guardians, members of the Mothers' Union and the entire Diocese of Johannesburg community to offer their unwavering support to our matriculants during this challenging period.

It is natural for families to experience anxiety and stress during this time, which is why we remind you of the power of prayer and faith. If you are feeling overly stressed or anxious, it is essential to speak to someone. It can be a teacher, school counsellor, parent, friend, respective Parishes Anglicare Counsellors called Life Enrichment Educational Ministry (LEEM), who offer emotional support to parishioners and beyond or any other helplines available e.g. The South African Depression and Anxiety Group ([SADAG---WHATSAPP CHAT LINE 0768822775 OR SMS 31393/32312](#)), offer specialized services for students.

GOOD LUCK MATRIC CLASS 2023
