A big **THANK YOU** for your support during 2024.

PRICE INCREASE: AN ANGLICAN PRAYER BOOK, 1989

At a meeting of the Publishing Committee held on 4th December 2024 it was decided that the price of ALL *An Anglican Prayer Book, 1989, Standard Editions*, will increase to **R210 per copy** from 1st January 2025.

This price increase is unfortunate but necessary due to increases in the production costs of the prayer book and an increase in the cost of the materials used.

Note that most languages are in stock. The Sesotho and Afrikaans Prayer Books will be in stock from the 13th January 2025. Prayer Books out of stock are the isiXhosa, Kwanyama and Northern Sotho editions. We sincerely apologize about these books.

Thank you for your continued support.
